2.) I am an individual associated with Yale University

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

Fee exemption is kindly requested for a research project studying linguistic patterns in federal criminal sentencing. The request is limited in scope because the only documents required to meet the needs of the research project are docket reports, sentencing memoranda, and sentencing transcripts from the previous year only. The documents would be analyzed using natural language processing methods. Success of the research hinges on a corpus of text, which would be unreasonably costly to obtain if each document required payment. The documents accessed will not be redistributed on the Internet or used for commercial purposes. The expected outcomes of the research project are several publicly available, scholarly research papers of the analysis.

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time:
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
